### Win a DIAMOND in Johannesburg!

South Africa is synonymous with diamonds – so to add a little sparkle to the Tournament, one lucky person attending the **Opening Function** will win a beautifully cut diamond worth R12 500. The diamond is a square radiant cut, the colour is rated as H VS2 and it is 0.34 carats – a beautiful piece of jewellery.

### The Nations Cup

This is a new trophy that will be presented for the first time in Johannesburg to the nation that performs the best at the Tournament. Designed to engender national pride and team spirit amongst players, the performance criteria is broader than only medal winners; it includes positions 5-8, 9-16 and the winners of the Plate Events. Check out the website for more details.

### Entries

At the last count the number of players entered is approaching the 600 mark representing 32 nations.

The vast majority of the entries are men: ladies where are you? Even if you don't think you are a contender for gold, silver or bronze you could leave Johannesburg with that wonderful diamond...
